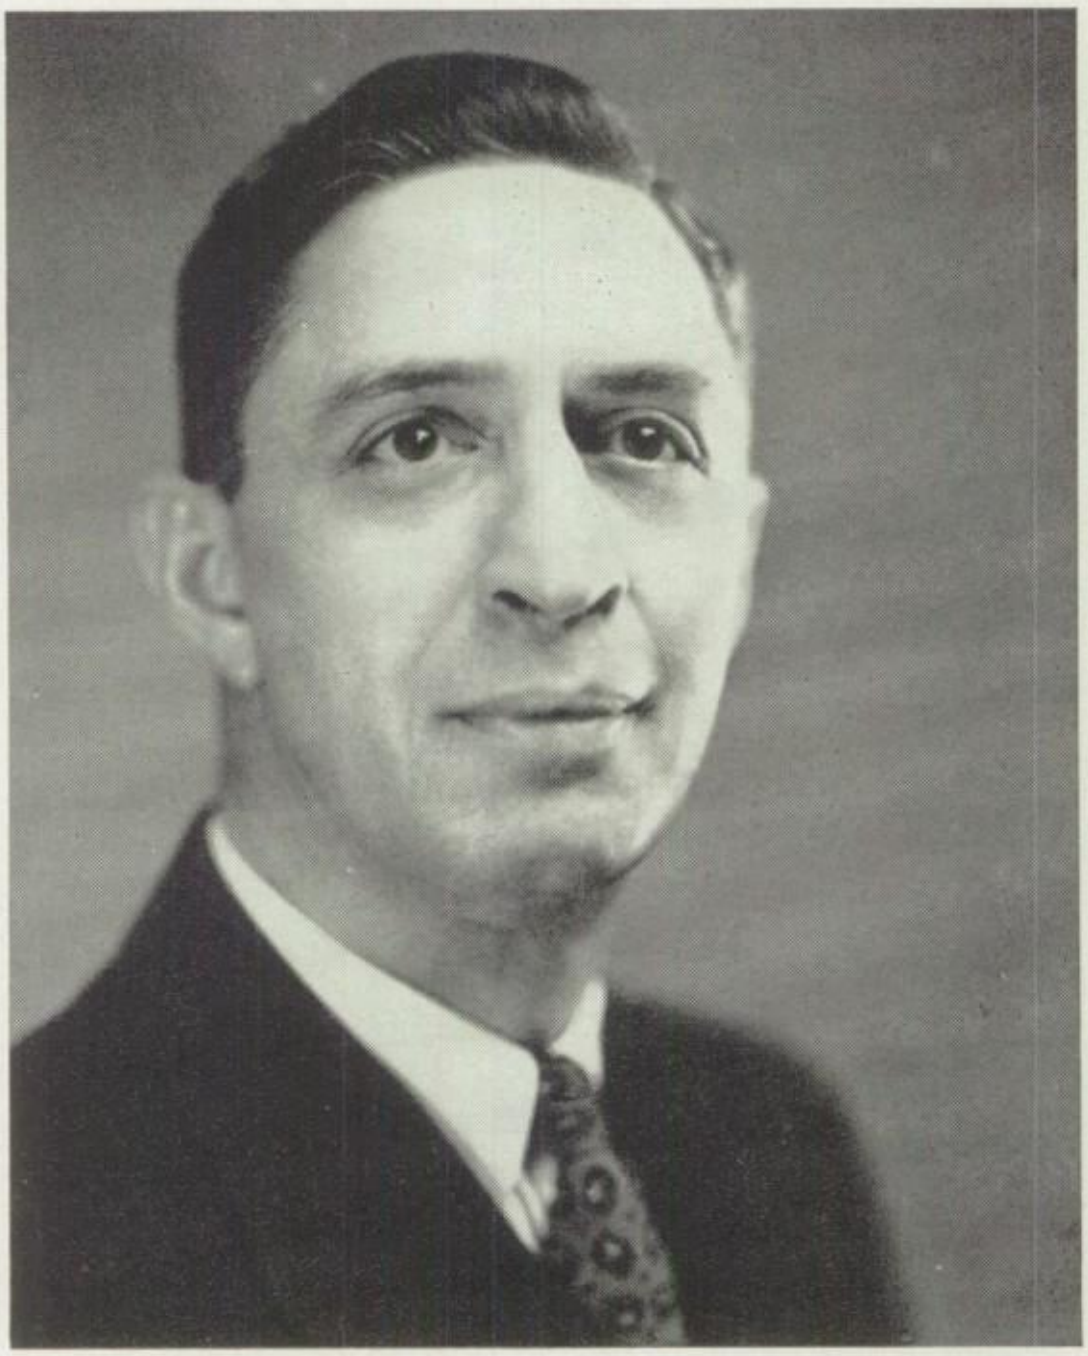
Administration . . . .



I am extremely happy to re-enter the scene at Roosevelt High School where my Portland experiences as a teacher began just twenty years ago. I find that the spirit of the school still reflects all of the fine, loyal features of our proud peninsula community and my old pride in belonging to Roosevelt has come back to me so easily and so naturally that after one short year I feel as though I had never been away.

Together with the school and the community I look to the future secure in the knowledge that we can meet successfully whatever problems may confront us.

Biography of the Class of June 1947

Once again it is time to write the biography of a graduating class. Ours is a record breaking one and a tradition breaking one. We are the largest ever to graduate from Roosevelt and because of our size we are breaking a long standing tradition and having the graduation exercises in the Benson auditorium. We have not let our quantity make up for our quality. We feel that the members of our class are outstanding in the various fields that make up a well rounded and accomplished group.

Scholastically we have proven ourselves by contributing the following to the Theo Chapter of the National Honor Society: Mary Anderson, Vada Callison, Dorothy Duyke, Donna Hartse, Marian Forman, Inez Houston, Ramona Lofthus, Margie Marlett, Joyce Poet, Virginia Ramsthell, Barbara Reynolds, Betty Taylor, Mildred Becker, Ramona Boeckel, Spencer Gray, Lucile Nolan, Dixie Kellogg, Owen Shackleton, Dale Klauman, Bill Neal, Julie Tateishi, Setsu Tsuboi, Zelma Hilburn, Carl Landstrom, Keith Chatterton, Thomas Harryman, Robert Schiftbauer.

Our leadership is shown by the members of our class that have been elected to hold student body offices. They are: Owen Shackleton, Jim Tomlin, Margie Marlett, Donna Caba, Don Sandvig, Don Peterson, Julie Tateishi, Al Lindstrom, Donna Hartse.

There has never been a more musically minded class than ours. SPORTS REVIEW

Sports at Roosevelt during 1946-1947 enjoyed a very successful season. Several sports made their initial appearance at school this year and a greater degree of interest was shown this year than in the last few years. We hope this will continue.

FOOTBALL

With only six returning lettermen and only four regulars from last year's squad Coach Mason McCoy had virtually a green squad from which to build an organized football machine. After several weeks of intensive pre-season practice we had our first game with The Dalles which we lost by a heartbreaking 14-13 score. From then on and during the regular season the squad was plagued with injuries and consequently, defeats. Our first win during the regular interscholastic season came against Benson, which saw a fired Roosevelt eleven hand the Techmen their first setback of the season by a 14-6 tabulation. We then proceeded to whip Lincoln and wind up in 7th place in the league. Lack of space prevents us from mentioning all of the better players but several were particularly outstanding and deserve special merit.

Don Sandvig, "the Roosevelt Terror", captained and was the spark-plug of our team. Because of his towering strength in the center of our line, he was chosen All-City center. Don is a Senior.

Bob Hamblin, Sophomore, was the fiery left half. Weighing only 155 lbs., his pistonlike legs drove him right through enemy would-be-tacklers to score. Bob's savagery on the field put him on the All-City second team. With two more season of eligibility he should become a truly great player.

Parm Peterson was the tackle. Out of play during most of the season due to an injury suffered in The Dalles game Parm saw enough action in the last two games to earn him honorable mention in the All-City selection. Although a Senior he has one more season of eligibility.

With 14 Seniors graduating, the prospects for next year's team look dark, but are brightened considerably by the return of 9 lettermen and a host of promising Juniors.

BASKETBALL

Returning from the service, Coach Rollie Rourke, who guided the Rough Riders to their first basketball championship in 1942, was greeted by a power laden "bucketball" squad. Back again were three regulars from last season's 2nd place five, including all-city Jackson Winters and Don (Pete) Peterson, along with lettermen: Dick Robertson, John Chaney, Malcolm Bolen, and Don Sandvig. Al Lindstrom was unable to play this year due to a leg injury suffered in the football campaign. In addition to the aforementioned were veterans Sig Hansen, Bill Patt, and some "deadeye" Juniors up from last year.

Pre-season write-ups gave Roosevelt terrific buildups and although slow in getting started during the regular season, the Teds thoroughly justified these predictions. Winding up the regular season with 12 wins against 4 losses and a neat. 667%, their record was marred only by the fact that we were tied with Jefferson for second place, necessitating a playoff game. Beaten twice during the regular season by Jeff in close games, the Teds really showed what clutch players they were by trouncing the Demos by a convincing 37-27 score. The outcome was never in doubt.

Accompanying Washington to the state playoffs the Rough Riders dropped the first game to the Salem Vikings 63-35, but roared back to spank Hillsboro 73-28 with a capacity crowd watching. The next team that fell like a tree in the wake of a hacking Roosevelt team, was La Grande's Tigers, to a 57-53 score. Finding themselves in theConsel-finals with Rainier, the Teds immediately set out to offset the Columbians. Paced by John Chaney, who got 19 counters, the Teddies whipped Rainier 47-33, thus winning for the school the Consolation Trophy. In dropping only the first game and winning the next three the Rourkemen placed above the highly-touted Colonials who couldn't find the hoop, getting only two out of four.

An interesting highlight during this season's play was the fact that twice the Teds went above the 70 mark during scoring sprees and also hit high in the 50's and 60's during the season. As a team we averaged close to 50 points a game, being the most potent pointmakers in the league. Exceptional players were:

Don Peterson, Second team All-State guard, voted unanimously to all-city guard position in the Portland Interscholastic league. His cool playing, deadly two-hand set shots from center, and sweeping lay-ins helped him to make the teams. He totaled 217 points for the regular season, totaling 79 down at the state playoffs, and set a new individual scoring record of 37 points in the state finals. He is Roosevelt's first All-State selection. Among other things he was captain of the team.

Jackson Winters, All-City center in 1946, he slipped down to the 3rd team this year although many thought he should have placed higher in the selection.

These two and John Chaney, Dick Robertson, Malcolm Bolen, and James Winters made up our winning first string quintet.

TRACK

Ten returning lettermen gave Coach McCoy a nucleus from which to shape a track team. Juniors up from last year and some hitherto unknown track discoveries have aided our thinclads to annex victories this year.

Winning several meets by unusually one-sided scores and being narrowly edged out in others, our team has displayed varying strength. Tying for 4th place in the city relay meet, we are hoping to send several runners to the state emet by way of the coming state preliminaries. Our Corvallis hopes are on: Jay Wallain in the hurdles, Bill Pendleton in the mile, Ray Guimary and Mel Wirth in the broadjump, Earl Bishop in the highjump and the 880 relay team.

MINOR SPORTS

ICE HOCKEY and BOWLING were both introduced to Roosevelt for the first time but they were not new in the interscholastic league. Although not placing high in the final standings, this may be attributed to inexperience and lack of proper facilities for practicing. Next year with most of the players returning for more action we hope to lead the leagues.

Due to a large turnout, our TENNIS team has proven to be a surprise, considering the return of only one letterman, Carl Landstrom. With Dale Day undefeated thus far and the girls' team showing steady improvement with each match, our racket wielders hope to place in the city competition.

CROSS COUNTRY this year was brought forth from the ranks and more interest was shown than has been in the previous seasons. With the help of Mr. Younce, steady training, and a lot of spirit, the cross country team was able to capture 4th place in the city and 5th place in the state.

JUNIORS

Enough cannot be said about our up and coming Juniors and "C" teams. These are the boys who will compose our Varsity teams of the next few years which, in our estimation, will be battling for championships.

Our Junior football team swept through all opponents to bring Roosevelt its first junior championship in the history of the school in an exceptional undefeated, untied, unscored-upon season. It is said opponents never got closer than our twenty-five-yard line before being pounded back by our "Baby Bears".

Some of these "Surprising Sophomores" exhibiting all-around athlete agility are: George Larsen, Jack Taylor, Jim Winters, Jack Heitkamp, Jeremiah Garett, Allan Poff, Bob Harms, and Dick Mills.

In basketball "our boys" winding up tied for first place with Jefferson, each with 12 wins and 4 losses demonstrated all-around ability.
